Hi, I just want to give you some update on the progress. I started on closing the company and it's in the process. The Google page which controls by kung fu tea which I can't do anything on that., same thing with yelp. My actual location is now permanently closed business. All my employees is no longer working there. I will send you a proof of dissvole company once I receive from secretary of state. I will continually updated the progress to you next couple weeks.  
Thanks
